Miss Selma Joy Pierson
Station Manager - W C S R
The Smith College Radio Station
Northampton, Mass.

Dear Miss Pierson:

Replying to your letter of October 9 which has been delayed in reaching me because of my absence from the City, wish to advise that the basic library has been ordered shipped to you plus the two cabinets. The cabinets will be billed at \$40.00 each plus the prepaid transportation charges.

We are filling your sound effects order from this office. These will be billed separately plus the shipping charges.

Am very delighted to hear the quality of the discs has proved to be satisfactory, and to hear of the enthusiasm about the library. We certainly will have no objection to your releasing the news of this gift as publicity.

If there is any question about the operation of the library or anything connected with it, please be sure and let me know. Meanwhile, I trust you and your associates will find the Service to be of great value in programming and in training.

Cordially,

Milton M. Blink
